Order #: **30-1775** –sold as each

HEDGE SHEARS

HEDGE SHEARS P57-25 21" WOOD HANDLE

High-quality straight shears for professional use in parks, vineyards, estates and particularly for topiary art work. Wavy blade traps groups of twigs and prevents them from sliding along the blade during the cut. Partly serrated edge for cutting up to 0.4 to 0.6 in. thick branches. Reduced fatigue through superior cutting performance and very comfortable handling. Comfortable wooden varnished handles. Sandvik brand

Order #: **30-684200** –sold as each

HEDGE SHEAR P-51 23" PROF.

Strong oval steel handles, giving an excellent balance. Sandvik brand

Order #: **30-684220** –sold as each

#4003 TRIMAN 9" HEDGE SHEAR WOOD HANDLE

Great hedge shear for professional quality landscaping. These shears are great for use in vineyards, on estates, in parks and for topiary maintenance. Wood handle provides extra durability and shock absorption.

Order #: **30-4003** –sold as each

#4004 TRIMAN 9" HEDGE SHEAR PLASTIC HANDLE

Same as 9" hedge shear with wooden handle, only has a plastic handle in place of wood.

Order #: **30-40040** –sold as each

8" TRIMAN HEDGE SHEAR-STRAIGHT BLADE

Wood handled shear, with 8" blade.

Order #: **30-4005** –sold as each

9" HEDGE SHEAR-COMPOUND ACTION

8 1/2" high carbon steel blades are fully heat treated. Compound action multiplies your cutting power. Top blade is serrated and features a limb cutting notch. Bottom blade is PTFE non stick coated for easy clean cutting. Lightweight, strong aluminum handles with ergonomic grips. Corona brand

Order #: **30-AH4220** –sold as each –6 per case

HEDGE SHEAR-GEAR ACTION-ALUM.

10" high carbon steel blades are fully heat treated. Unique gear design multiplies your cutting power. Top blade has a limb cutting notch. Lightweight, strong aluminum handles with ergonomic grips. Corona brand

Order #: **30-AH4240** –sold as each

HEDGE SHEAR 10 1/2" BLADES

10 1/2" resharpenable, forged steel alloy blades. Lightweight, high-strength elliptical aluminum handles. Fully heat-treated for strength. Precision-made pivot bolt for smoother cutting action. Slant-ground, narrow profile blade. Limb notch in lower blade. Forged-in bumper cups with ShockStop bumper reduces shoulder fatigue. Corona brand

Order #: **30-AH6970** –sold as each –6 per case

HEDGE SHEAR, ALUM EXT. HANDLE

Lightweight aluminum handles are infinitely adjustable from 15" to 26". Overall maximum length is 37". Heat-treated high carbon steel blades for durability and strength. Blades narrow at the tip for fine trimming and shaping. Cushioned bumper and ergonomic grips for comfort. Corona brand

Order #: **HS3930** –sold as each –6 per case

HANDY MATTOCK PICK

2 lb. ductile iron head; 2 1/4" wide Mattock blade; 4 1/2" long pick. Designed for light construction work for amateurs and professionals alike. Ideal for installing small lawn irrigation systems, landscape lighting, stone pavers, landscape timbers and decorative ponds. 2 lb. head breaks up hardened soil. Mattock end can be used for chopping roots, clearing, edging and a wide variety of landscape detail and finishing work. V&B brand

Order #: **851-01** –sold as each

To Order Call: 405.787.4833 or 1.800.522.3376

Prices subject to change without notice

EDGEALL 8" NARROW STRIKING

Flat, narrow 8" striking blade ideal for installing sprinkler systems, landscape lighting, walkways made of stone and brick pavers. Square shaped blade creates a straight edge on sides and bottom of trench; better than scalloped edges that result from using a shovel. Designed for breaking ground and digging in tight areas machines can't reach. Striking power maximized with 12 lb. solid steel construction of handle and striking blade; user can apply muscle where it's needed most. 53" handle length enhances two-hand control and ability to strike the target accurately. Ideal for breaking hard ground, rocks, tile and ice. Perfect tool for edging lawns and landscaped beds. V&B brand
Order #: **869-08** –sold as each

COMFORT DIGGER (WEEDER)

Ideal for digging or weeding. Lightweight one piece polished aluminum alloy. Cushioned Comfort Tool grip. Corona brand
Order #: **30-CT3050** –sold as each –6 per case

HAND SEEDERS

SEEDMASTER CLICK HAND SEEDER

Virtually eliminates thinning. Four special baffles accommodate most seed sizes. Precise, even sowing of all sized seeds is fast and convenient. The unique vibrating action of the special wheel causes seeds to flow down the anti-static "V" channel and through the baffle in controlled action for careful sowing. Even the tiniest seeds can be sown with precision. No clumping, maintenance free, easy to operate.

Order #: **30-0206** –sold as each

DIAL SEED SOWER

Easily vibrates garden seed to soil. Helps make straight rows. 12/strip
